

Construction Seminars
May 26, 2016
 Seminar Location:
 HB NEXT Corporation
 1255 Lakes Parkway, Suite 385
 Lawrenceville, GA 30043

The Remodeling Association of Georgia will be conducting two educational sessions. These sessions will be held at HB NEXT Corporation located 1255 Lakes Parkway, Suite 385 in Lawrenceville, GA 30043. Attending both sessions will provide 6 hours of continuing education credits.

Just a reminder that if you hold a Residential Basic License you will need 3 hours of continuing education and if you hold a Residential Light Commercial License you will need 6 hours of continuing education.

Instructor: Raymond Scott – Instructor / Consultant, HB NEXT

Morning Session - How To Handle an OSHA Inspection & the 4 Principles of Defense Against Citations

- ◆ Registration (8:30 AM—9:00 AM)
- ◆ Seminar (9:00 AM - 12:00 AM)
- ◆ Qualifies for 3 hours of continuing education (\$25 processing fee for continuing education)

This fast-paced, 3-hour seminar is one of the many management tools your field supervisors and foremen need in today's construction industry. This course describes the OSHA inspection process, types of inspections, ways to prepare, tips for success and the four main things that will help prevent citations.

Afternoon Session - First Aid Awareness

- ◆ Registration (12:30 PM—1:00 PM)
- ◆ Seminar (1:00 PM - 4:00 PM)
- ◆ Qualifies for 3 hours of continuing education (\$25 processing fee for continuing education)

This class provides an overview of the guidelines and requirements for First Aid responders. Students will learn about emergency medical services as well as developing and executing emergency action plans.

Please indicate below your session preference.
